DISCOUNT STRUCTURE

Discounts apply to purchases for 2010 only. The percentage of your discount is now determined by the list price before discount of your current order plus the total list price of all purchases previously made during the current year. Discounts can increase during the year as your total purchases increase. For your discount base, we keep track of the list price for only actual purchases. Shipping, handling, sales tax and etc. are not included for discount calculation.

SAVE MONEY, BUY BY THE CASE! OUR CASE PRICES ARE ½ OFF OF PIECE PRICES ON MOST ITEMS.

All customers are responsible for their freight charges.

We ship all items in the least expensive way, either FEDEX, freight, or US mail.

We have negotiated the best possible rates from the carriers and we make no profit from shipping charges. Due to fluctuations in fuel and other related costs, we cannot publish rates.

Sorry, we cannot send orders C.O.D.

All orders will be shipped out as soon as possible, (usually within 3 business days, depending on the time of the season). Please note that June is our peak month and our shipping department is very busy, so order early to avoid delays. Also, you must allow for mailing and shipping time if you need to receive your order by a certain date.

For shipped orders, a handling charge will be added to the freight charge. This will be 5% of the freight charge.

For FEDEX- US Postal Service Orders, our minimum shipping charge is \$5.00.

Truck Freight's minimum shipping charge is \$100 and delivery usually takes 3 – 10 days. Shipping charges are determined by the weight of the shipment and the distance being shipped. After you have placed your order, we can estimate your shipping/handling charge, so please call for a quote.

If you cannot have your UPS Freight shipment delivered to a business, you may be contacted to pick up your order at their local terminal.

For shipment outside the U.S., call us at 01.814.786.7995 for shipping information.

FIREWORKS CLUBS

We offer free delivery to certain fireworks club meetings and festivals for members only. Please call us to see if we will be attending your event, or check our website for updates. If you'd like information about fireworks clubs, please visit our website.

SHIPPING PROBLEMS

If you have not received your order within 2 weeks, please notify us. If your order is lost or stolen, we will help you notify the freight company to trace your order. The freight company will reimburse you for any lost or stolen packages. If you refuse your order, no reimbursement will be made. All merchandise is carefully and securely packed before it is given to the delivery carrier. Once shipment is in the hands of the carrier, our responsibility ceases. If your shipment appears to be damaged upon receipt, please have the delivery agent make a notation stating that fact. Any delay may cause you a loss. We cannot honor claims for which a carrier is responsible. All claims for shortages and/or damages must be made within ten (10) days of receipt of merchandise.
