## DISPLAY FIREWORKS ORDERING INFORMATION

- **Individuals or corporations must have an Explosives or Fireworks License or Permit to purchase Display Fireworks.** Applications are available from the Bureau of Alcohol, Tobacco, Firearms and Explosives National Licensing Center, Telephone Toll Free: 866-662-2750 or visit their website at [www.atf.treas.gov](http://www.atf.treas.gov)
- 18 U.S.C. 845 EXEMPTS Federal, State and Local government entities from most provisions of Federal regulations regarding explosives. Federal, State and Local government entities, or their political subdivisions, will NOT be required to obtain a license or permit to acquire display fireworks. Political subdivisions would include educational institutions operated by Federal, State or Local governments (e.g. public schools). Persons possessing display fireworks on behalf of Federal, State and Local government entities or public educational institutions will not be subject to restrictions so long as their possession is in the scope of their employment. Requirements for storage must always be met. Please call us if you have questions.
- Display Fireworks can only be legally stored in a BATFE approved explosive magazine. A request for authorization for temporary storage in a commercial building may be made by submitting a written request to BATFE.
- For a copy of the BATFE storage and sales regulations, visit their website at [www.atf.treas.gov](http://www.atf.treas.gov).
- **All customers without an approved storage location should plan to pick up their products or have it delivered THE DAY OF THEIR EVENT. In the case of a rainout or an event cancellation, all Kellner customers are allowed to temporarily store at our facilities (free of charge) products purchased from us.**
- We can make up a Fireworks Display for any dollar amount. All you have to do is tell us what size items you want and give us at least one week to make up the display.
- You must be at least 21 years old to pickup Display Fireworks.
- We strongly encourage all new customers to buy a copy of NFPA 1123: Fireworks Displays. This NFPA code is required to be followed in many states. This is available from NFPA at [www.nfpa.org](http://www.nfpa.org).
- ATF LICENSEES: A photocopy of your current license (signed in ink) must be on file with us.
- ATF PERMITEES: A photocopy of your current permit (signed in ink) must be on file with us. Anyone using Type 60 Limited Permit must provide us with the copy "A" & copy "B" Stickers with matching numbers.
- No one but the licensee/permittee will be able to pick up the merchandise UNLESS the RELEASE FORM/AUTHORIZATION FOR PICKUP FORM (enclosed) is provided to us by the licensee/permittee prior to pickup. This must be done every year.

## FIREWORKS CLUBS

- We offer free delivery to certain fireworks club meetings and festivals for members only. Please call to see if we will be attending your event, or check our website for updates. If you'd like information about fireworks clubs, please visit our website.

## DISPLAY FIREWORKS SHIPPING INFORMATION

Your Vehicle Fireworks that are sold to customers for personal, non-commercial use and transported by such persons in their personal vehicles are not subject to any hazardous materials transportation regulations. Fireworks sold to customers for commercial use ARE subject to various regulations. Please contact us for more information.

Truck Freight We now have a LTL freight company that can deliver Display Fireworks to most locations in the US. Charges start at only \$100.00 but go up according to the weight of your order and the distance to deliver. Fuel charges and other factors also can affect the cost. Delivery usually takes 6 to 12 days. Call us to obtain a freight quote.

Kellner's Truck We can deliver Display Fireworks to various destinations (See our 2010 Delivery Schedule) with our truck. We try to group several deliveries on each trip to keep the delivery costs for each customer as low as possible. We will notify you of the delivery charge for your approval prior to shipment. Planning your delivery for one of our scheduled trips is usually the least expensive way to have your fireworks delivered. If you require delivery on a specific day, grouping with other deliveries may not be possible. The delivery charge is \$2.75 per mile (one way), with a minimum charge of \$275.00. No orders will be shipped on our trucks from July 3rd through July 5th.

### **SHIPPING PROBLEMS**

- If you have not received your order within 2 weeks of shipment, please notify us. If your order is lost or stolen, we will help you notify the freight company to trace your order. The freight company will reimburse you for any lost or stolen packages. If you refuse your order, no reimbursement will be made. All merchandise is carefully and securely packed before it is given to the delivery carrier. Once shipment is in the hands of the carrier, our responsibility ceases. If your shipment appears to be damaged upon receipt, please have the delivery agent make a notation stating that fact. Any delay may cause you a loss. We cannot honor claims for which a carrier is responsible. All claims for shortages and/or damages must be made within 24 hours of receipt of merchandise. For shipments to outside of the United States, please call for shipping information.

### **CLOSE PROXIMITY PYROTECHNICS ORDERING INFORMATION**

- These products are designed for use by professional pyrotechnicians and special effect technicians. All of these pyrotechnics are suitable for indoor and/or close proximity use, but are potentially dangerous and could cause severe bodily harm and property damage if not used correctly. Never use any pyrotechnics closer than 15 feet from any person or flammable materials.
- ALWAYS pre-test any product to observe the effect BEFORE using the product in a live performance. Always maintain an unobstructed view of the effect before and during firing.
- These items can be purchased with state or local permission for a pyrotechnic display or a ATF license or permit for fireworks or explosives.
- We strongly encourage all new customers to read a copy of the code NFPA 112: Use of Pyrotechnics before a Proximate Audience. This is available from NFPA at [www.nfpa.org](http://www.nfpa.org).
- These items can be shipped via either FedEx Priority Overnight or FedEx Ground. All shipments are subject to Hazardous Materials handling charges of \$65.00 per box for Express and \$20.00 per box for Ground.
- Priority Overnight does not guarantee that your order will positively get to you overnight. Please allow a few days for your packages to arrive.
- All close proximity pyrotechnics sold by Kellner's Fireworks are classified as UN0431 Articles Pyrotechnic, 1.4G Explosives. These close proximity pyrotechnics are NOT fireworks and are not subject to ATF storage requirements.
