Fireworks sold to customers for commercial use ARE subject to various regulations. Please contact us for more information.

Truck Freight We now have a LTL freight company that can deliver Display Fireworks to most locations in the US. Charges start at only \$100.00 but go up according to the weight of your order and the distance to deliver. Fuel charges and other factors also can affect the cost. Delivery usually takes 6 to 12 days. Call us to obtain a freight quote.

Kellner's Truck We can deliver Display Fireworks to various destinations (See our 2010 Delivery Schedule) with our truck. We try to group several deliveries on each trip to keep the delivery costs for each customer as low as possible. We will notify you of the delivery charge for your approval prior to shipment. Planning your delivery for one of our scheduled trips is usually the least expensive way to have your fireworks delivered. If you require delivery on a specific day, grouping with other deliveries may not be possible. The delivery charge is \$2.75 per mile (one way), with a minimum charge of \$275.00. No orders will be shipped on our trucks from July 3rd through July 5th.

### **SHIPPING PROBLEMS**

- If you have not received your order within 2 weeks of shipment, please notify us. If your order is lost or stolen, we will help you notify the freight company to trace your order. The freight company will reimburse you for any lost or stolen packages. If you refuse your order, no reimbursement will be made. All merchandise is carefully and securely packed before it is given to the delivery carrier. Once shipment is in the hands of the carrier, our responsibility ceases. If your shipment appears to be damaged upon receipt, please have the delivery agent make a notation stating that fact. Any delay may cause you a loss. We cannot honor claims for which a carrier is responsible. All claims for shortages and/or damages must be made within 24 hours of receipt of merchandise. For shipments to outside of the United States, please call for shipping information.
